The 11th International Conference on Maternal, Fetal and Neonatal Surveillance and Research (MTSR) will be held in Tallinn, Estonia, from November 28 to December 2, 2024.

The conference will bring together experts from around the world to discuss the latest developments in maternal, fetal, and neonatal surveillance and research. The conference will cover a wide range of topics, including:

- Maternal health
- Fetal health
- Neonatal health
- Surveillance and monitoring

- Research and innovation

The MTSR conference is a unique opportunity to learn about the latest advances in maternal, fetal, and neonatal care. The conference will also provide opportunities to network with experts from around the world and to learn about the latest research findings.

If you are interested in attending the MTSR conference, please visit the conference website for more information. The website includes information on the conference schedule, registration fees, and abstract submission deadlines.

Important Dates

- **Abstract submission deadline:** March 1, 2024
- **Early registration deadline:** June 1, 2024
- **Conference dates:** November 28 - December 2, 2024

Contact Information

For more information about the MTSR conference, please contact the conference secretariat at secretariat@mtsr2024.org.
