

Marathon War: Leadership In Combat In Afghanistan

A gripping account of leadership and combat in Afghanistan, Marathon War is a must-read for anyone interested in military history or leadership. In this book, former platoon leader and Special Forces officer Captain Tom Bruscino recounts his experiences leading a team of soldiers in some of the most dangerous and difficult fighting in the country. Bruscino's vivid and detailed prose brings the reader right into the thick of the action, providing a firsthand account of the challenges and rewards of leading in combat.

Bruscino's story is one of courage, resilience, and determination. He and his men faced overwhelming odds on a daily basis, but they never gave up. Their story is a testament to the power of leadership, and it is a reminder that even in the most difficult of circumstances, there is always hope.

Marathon War is more than just a war story. It is also a story about leadership. Bruscino provides valuable insights into what it takes to be an effective leader in combat. He emphasizes the importance of trust, communication, and empathy. He also stresses the need for leaders to be able to make tough decisions under pressure.

Marathon War is a powerful and moving account of leadership and combat in Afghanistan. It is a must-read for anyone interested in military history or leadership.
