The Rise of Nationalism

The 19th century witnessed the rise of nationalism in the Balkans, as the region's diverse ethnic groups began to assert their distinct identities. This period saw the emergence of national movements in Greece, Serbia, Bulgaria, and Romania, each seeking independence from the Ottoman Empire.

The Balkan Wars

The early 20th century was marked by a series of conflicts known as the Balkan Wars. These wars, fought between the Balkan states and the Ottoman Empire, resulted in the collapse of the Ottoman Empire and the creation of new independent nations.

The Balkan Wars (1912-1913) redrew the map of the Balkans, leading to the creation of new independent nations.

World War II

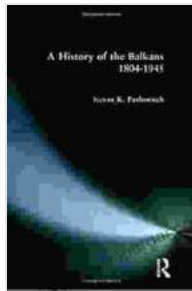

World War II had a devastating impact on the Balkans. The region was occupied by Axis powers, and its people suffered greatly under their rule. The war also saw the rise of fascism and collaboration in the Balkans, as well as the persecution and genocide of minorities.

The history of the Balkans from 1804 to 1945 is a complex and fascinating one. This guide has provided a brief overview of some of the key events and themes that shaped the region's past. To delve deeper into this captivating history, I highly recommend exploring the resources listed below.
