Based on exclusive interviews with key players and deep research, Corn shows how Russia has waged a relentless campaign of cyberattacks, disinformation, and propaganda to undermine our democracy and sow chaos. He reveals how Trump and his allies have welcomed this interference, and how they have used it to their own advantage.

Corn's chilling account is a must-read for anyone who wants to understand the true extent of Russia's attack on America, and the danger it poses to

our democracy.

Russia's Attack on America

Russia's attack on America is not a new phenomenon. It has been going on for decades, and it has intensified in recent years.

Russia's goals are to undermine our democracy, sow chaos, and weaken our alliances.

Russia has interfered in our elections, hacked our computer systems, and spread disinformation and propaganda.

The Trump administration has been particularly welcoming of Russia's interference.

Trump has repeatedly praised Russian President Vladimir Putin, and he has cast doubt on the intelligence community's assessment that Russia interfered in the 2016 election.

Trump's allies have also embraced Russia.

Many Republican members of Congress have refused to condemn Russia's interference, and some have even suggested that it was justified.

The Trump administration's embrace of Russia is a betrayal of our national security.

Russia is a hostile foreign power that is trying to undermine our democracy.

The Trump administration's actions are making it easier for Russia to achieve its goals.

How Trump Turned Republicans

Trump's embrace of Russia has had a profound impact on the Republican Party.

For decades, the Republican Party was the party of national security.

But Trump has turned the party away from its traditional pro-defense stance.

Trump has repeatedly cut funding for the military, and he has withdrawn American troops from key alliances.

Trump's actions have weakened America's national security, and they have made the world a more dangerous place.

Trump's embrace of Russia has also divided the Republican Party.

A growing number of Republicans are speaking out against Trump's pro-Russia policies.

But Trump's supporters remain loyal to him, and they continue to defend his embrace of Russia.

The Republican Party is now a deeply divided party.

The party's traditional pro-defense stance is in tatters, and its loyalty to America's allies is in doubt.

The Republican Party is now a party of Trump, and Trump is a pro-Russia president.

The Danger to Our Democracy

Russia's attack on America is a serious threat to our democracy.

Russia is trying to undermine our elections, sow chaos, and weaken our alliances.

The Trump administration's embrace of Russia is making it easier for Russia to achieve its goals.

If we do not stand up to Russia, our democracy is at risk.

We need to demand that our elected officials take action to protect our democracy from Russia's attack.

We need to demand that our elected officials put America's interests first.

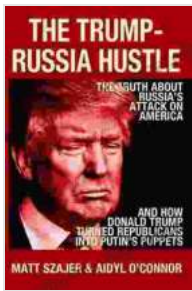

We need to demand that our elected officials stand up to Russia.

The future of our democracy depends on it.

Call to Action

If you are concerned about Russia's attack on America, there are things you can do to help.

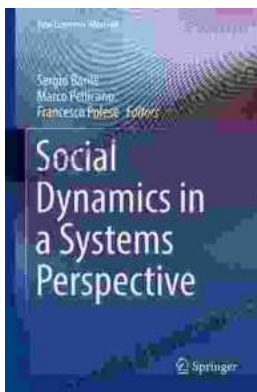

You can contact your elected officials and demand that they take action to protect our
